**From Kendal:** If the bus driver will not drop you at the entrance to Low Sizergh Farm, disembark at the Natland Lane stop on the slip road from the main road. Walk back to the farm on the pavement beside the dual carriageway (a 5-10 minute walk). Growing Well's site is signposted from the car park (you can see our polytunnels from the back of the car park). Our offices are in the portakabins opposite the last polytunnel.

**To Kendal:** Leave Growing Well down to the back lane. Turn right and go under the main road. Turn left, past the Strickland Arms, and then turn left again onto the main road where the Sizergh Castle bus stop is located. This is a 10-15 minute walk.
